

Advanced Innovation Group Pro Excellence (AIGPE)

Shop No. 4, Thakur Complex, Yashwant Nagar, Talegaon Dabadhe,
Pune, India. Pin – 410 507.

Online Examination

All the examinations conducted by AIGPE are online.

Candidates can give the online examination on a chosen date / time within the program duration.

The duration, number of questions and pass percentage vary from program to program. For exam information on specific program, you can either refer to the relevant program brochure OR reach out to your counselor.

Examinations are of multiple choice questions with no negative marking. The questions and answers are shuffled. The result (pass/fail) is shared with the candidate within 48 working hours of completing the exam. As per AIGPE policy, answers are not shown to the candidates. All exams are timed and expire after the allotted time is completed.

Candidate needs to ensure that examination is given from a place which has power and internet backup. In case of power failure, the exam clock will continue.

Re-exam

Re-exam is allowed only for select programs. Only additional chance is provided for the candidate to complete the re-exam.

Candidates are requested to inform the trainer once the online exam is completed by sending an email to programs@aigproexcellence.com.
